ABOUT THE EVENT

Circular Economy award & forum

Enough discussing ideas - it is time to *Act*

Circular Economy Forum is focused on implementation, action and impact. Practitioners, businesses, academicians, Government, students from different parts of the world sharing opportunities, best practices, real-life cases and lessons of implementation of Circular Economy.

OBJECTIVES

Why?

- Inspire organizations to support National Circular Economy policies and strategies.
- Enhance knowledge about Circular Economy, its need, importance and benefits for businesses, governments, people and environment.
- Accelerate transition from Linear to Circular Economy.
- Connect Circular Economy champions and leaders.
- Recognize organizations implementing Circular Economy strategies.
- Support UN Sustainable Development Goals 2030, especially Goal No.12 "Responsible Consumption and Production".

TARGET AUDIENCE

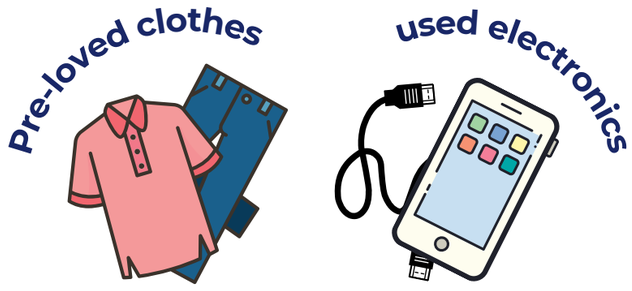

For whom?

- Policy makers, business leaders, Circular Economy and Sustainability professionals, Designers, Strategy, Finance and IT managers, Quality, Excellence and Environment Management professionals, Learning and Development professionals, Procurement and Performance Management specialists, students.
- From Government, public and private sector, as well as NGOs, Academia, and other sectors.
